

ActionListener

```
graph BT; V[View.Signal_ActionListener] --> A[ActionListener];
```

The diagram illustrates an inheritance relationship. At the top is a white rectangular box with a thin gray border containing the text "ActionListener". Below it is a gray rectangular box with a thick black border containing the text "View.Signal_ActionListener". A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that "View.Signal_ActionListener" inherits from "ActionListener".
